## 2025-2026 Pledge Form

Dear Parents/Guardians,

Thank you for supporting your students and LHS Instrumental Music Department this year! Instrumental music at LHS cannot function without your support. This year's budget is \$133,650. This supplements what the district allocates to the department. Without your generous contributions and support, music offerings at LHS would be greatly reduced. We appreciate your help in keeping these programs running. Contributions are used to cover the major operating expenses of the music budget including coaches, travel expenses, sheet music, instruments, and so much more!

We respectfully ask that you make the suggested contribution for the ensemble(s) in which your student(s) are enrolled. This helps ensure all students have the opportunity to develop as both musicians and young adults benefitting from the unique experiences only found in high school music programs.

On behalf of the students, director, and board, we would like to thank you for your continued support of the Livermore High School Instrumental Music Department.

Sincerely,  
Livermore Music

*\* No student will be denied participation in IMD activities because of their ability to make the requested donation.*
